**Job
Description**

The College of Computer Science and Information Technology at University of Prince Mughrin invites applications for full-time positions at the rank of Lecturer, Assistant Professor, Associate Professor, and Professor to join the Departments of (Forensic Computing and Cyber Security), (Software Engineering), and (Computer Science).

Successful candidates will play a key role in supporting the College of Computer Science and Information Technology in achieving its mission and vision for its undergraduate programs.

Required Education:

- Master's or Ph.D. in Forensic Computing, Cyber Security, Software Engineering or Computer Science

Preferred Education and Experience:

- Candidate with at least three years of experience teaching in higher education.
- Industrial work experience is highly preferable.
- High quality and up-to-date publications in ISI-indexed journals in the past 5 years will give an advantage to the applicant.
- Candidates with project proposal writing, and project-leading capability, related to the relevant field is highly recommended.
- Having supervised PhD and Masters students related to the relevant field is also a plus point.
