School of Systems & Enterprises

Adjunct Faculty Pool - Available Positions

The School of Systems and Enterprises (SSE) at Stevens Institute of Technology is seeking a pool of qualified adjuncts for a range of part-time teaching assignments in the areas of software engineering, systems analytics, industrial and systems engineering and engineering management, with openings beginning in **Spring2023**. Successful candidates will contribute to a dynamic and growing school that provides students with a research-centered interdisciplinary and transdisciplinary education embedded in systems thinking and design. Candidates will be evaluated on their teaching credentials and potential for delivering high quality instruction to undergraduate, masters and doctoral students.

Adjunct faculty will be responsible for teaching one or more courses, holding office hours and participating in course evaluations and assessments. Assignments may include day or evening courses and may be conducted on-campus, off-site or online. Adjunct positions are on a semester-by-semester contract basis, and successful acceptance into the adjunct pool does not guarantee an offer of a contract.

Among the available assignments is the teaching of courses offered through the SSE corporate education program. Industry experience is a plus for these positions. These courses are offered in a virtual format that is both live and recorded with flexible scheduling based on corporate partners needs and preferences.

Basic Qualifications

Applicants must possess a masters or doctoral degree in a related engineering or science discipline and evidence of rich industry experience and successful university teaching experience. Knowledge of applied statistics, applied mathematics, modeling and simulation methodologies, engineering economics and Python a plus. Experience in software and product development or data science desirable.

Please submit your cover letter, CV and contact information for 2-3 references through the Workday jobs portal, Careers at Stevens. Applications will be reviewed on a rolling basis.

About the School

The School of Systems and Enterprises (SSE) at Stevens Institute of Technology is a leading institution in systems innovation and research located in Hoboken, New Jersey, a vibrant city with a population of 54,000 on the Hudson River directly across from New York City. Ranked amongst the top graduate programs in industrial, systems and software engineering by the *U.S. News and World Report*, faculty in SSE embrace diverse careers with both academic and industry experience. Stevens is an Equal Opportunity Employer. SSE values diversity and seeks candidates who can contribute to a welcoming climate for students of all races and genders. Stevens is an NSF ADVANCE institution committed to equitable practices and policies. We strongly encourage qualified women and minority candidates to apply.
