**Job Description**

The Electrical Engineering and Computer Science (EECS) Department in the College of Engineering at The University of Toledo (UT) invites applications for a full-time position at the rank of Assistant or Associate Professor in its Computer Science Engineering (CSE) program at the Lorain County Community College (LCCC). This program is offered at the LCCC, University Partnership Ridge Campus, 30 miles Southwest of Cleveland, Ohio. This faculty position would provide instruction for face-to-face courses at the University Partnership Ridge Campus. Beginning in Fall 2018, this position will be a continuing, non-tenure track appointment, renewable annually, conditional upon satisfactory

performance. Candidates are sought with broad expertise and interest in teaching CSE courses (e.g. Database Systems, Human Computer Interface or HCI, Linear and Non Linear Data Structures, Object Oriented Programming including C++ and Java, Operating Systems, Software Engineering, Theory of Computations, etc.). Ongoing professional and scholarly engagement in emerging areas of CSE is required.

An earned Ph.D. degree in Computer Engineering or Computer Science or in a closely related domain is required. The successful candidate will be expected to (i) Teach effectively at the undergraduate level; (ii) Engage in curriculum development as well as instructional lab enhancement; (iii) Guide senior design teams; and (iv) Participate in high-impact service activities. The faculty member is expected to be at the University Partnership Ridge Campus five days per week. It is possible that the candidate will collaborate with EECS faculty on scholarly research. UT is committed to providing its employees with a highly competitive and cost effective benefits program.

Applicants must apply online at <http://jobs.utoledo.edu> (in response to posting number 0600448) to be considered for this position. Review of applications will commence in Spring 2018 and will continue until the position is filled. A complete application packet to be uploaded as a single PDF file must include 1) Cover letter; 2) Curriculum vitae; 3) Two page "Teaching Philosophy" and a list of EECS Courses you can teach; 4) Two-page "Research Interest" and scholarly accomplishments particularly in the last five years; and 5) Names & contact information of five professional references.

### **EEO/AA Policy**

The University of Toledo is an affirmative action, equal opportunity employer. UT is dedicated to the goal of building a culturally diverse and pluralistic faculty and staff committed to teaching and working in a multicultural environment and strongly encourages applications from women, minorities, individuals with disabilities, and covered veterans.
