Job Description

Computer Science and Software Engineering Non-Tenure Track Faculty Position

The Computer Science and Software Engineering Department at Penn State Behrend invites applicants for a non-tenure track position starting Fall 2018. We are seeking applicants with a commitment to excellence in undergraduate education and applied research scholarship, as well as the ability to teach undergraduate courses in both resident and online modes. Candidates with teaching experience in the discipline of software engineering, or fundamental computer science courses such as programming languages concepts and discrete mathematics, are especially encouraged to apply. A minimum of a Master's degree in Software Engineering, Computer Science or a closely related field is required. Candidates with a Ph.D. and/or prior teaching experience are preferred. Rank is commensurate with qualifications and experience. Salary is competitive. Penn State Behrend

(http://apptrkr.com/get_redirect.php?id=1166662&targetURL=http://www.behrend.psu.edu)<http://www.behrend.psu.edu> is a comprehensive four-year and residential college of Penn State in Erie, Pennsylvania. The college is committed to excellence in teaching, research, and outreach, and prides itself on the balance it achieves between teaching and research. Located on a beautiful, wooded hilltop campus, Penn State Behrend offers its 5,100 undergraduate and graduate students an inspiring and technologically-advanced environment characterized by close student/faculty interaction. The School of Engineering has over 1,800 students in our ABET accredited programs. Erie, a metropolitan area of 280,000, is located on Lake Erie's beautiful Presque Isle Bay. The region offers many cultural, sports, and recreational resources, including Pennsylvania's most popular state park. Erie County is a major industrial, medical, service, and tourism center, and is within a two-hour drive of Cleveland, Pittsburgh, and Buffalo. Residents benefit from a rejuvenated Bayfront District while enjoying a modest cost of living and affordable housing. There are five colleges in the area. Review of applications will begin immediately and continue until the position is filled. Please upload a complete resume, a brief statement of teaching and the names of three references. Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to minorities, women, veterans, individuals with disabilities, and other protected groups.
