Job Description

The Department of Chemical and Petroleum Engineering (CPE) at the United Arab Emirates University (UAEU) invites application for a full-time faculty position in Chemical Engineering at the level of Assistant or Associate Professor. Recognized for its academic excellence, the UAEU consistently ranks among the top universities in the region. All engineering programs, including the Chemical Engineering, are accredited by the Accreditation Board for Engineering and Technology (ABET) and The Commission for Academic Accreditation (CAA) of the UAE. The successful candidate is expected to teach and develop undergraduate and postgraduate courses, establish a productive research and secure research funds internally and externally, supervise M.Sc. and PhD students, and participate in committees at the Department, College and University levels. Candidates should have a Ph.D. in Chemical Engineering or a related discipline with a strong track record in research. To apply for this position, interested candidates should submit, as a single PDF document, a letter of application,
