Job Description

Sultan Qaboos University

A: Department of Civil and Architectural Engineering
The Department of Civil and Architectural Engineering at Sultan Qaboos University, Oman is pleased to invite applications for faculty vacancy in the area of Water Resources Engineering at the rank of Assistant/Associate Professor. The start date of duties is spring 2020 semester (starting on Jan. 26, 2020), with the following qualifications:

• Candidate must have a PhD in Water Resources Engineering. A background in Environmental Engineering is an added value. The Candidate must have earned his BSc in Civil Engineering. Applicants must have excellent academic credentials in the area of Water Resources Engineering, and excellent teaching experience at both undergraduate and postgraduate levels in the same area. In addition, a good research and publication record is expected. Applicants are required to work in cooperation with other faculty members in the Civil and Architectural Engineering department and have the ability to attract external research funds. All SQU regulations apply.

• Interested applicants should submit a cover letter, a comprehensive curriculum vitae, teaching and research statement, and a scanned copy of the BSc, MSc and PhD certificates.

• The submission should be sent no later than August 18, 2019, by Online Applications System:
