engineers, if not already registered. Excellent opportunities exist for collaborative work with the Utah Department of Transportation and regional civil engineering firms. Applications will be reviewed as they are received until the position is filled. The appointments will start January 2020 or August 2020. Applicants should submit a letter of application addressing qualifications along with a resume, and names, telephone numbers, and email addresses of three references.

Required Qualifications:

B.S. and Ph.D. in Civil Engineering, or closely related areas. (Ph.D must be completed by start date.) Strong commitment to undergraduate teaching and applied research, advising, and course development.

Minimum of 3 three years of teaching with demonstrable experience in the field of transportation and traffic specialization.

Eligible and willing to become professional engineer if not already registered.

Applicants must be legally authorized to work in the U.S.

Knowledge, Skills and Abilities:

The successful candidate will possess:

- * Knowledge and experience in effective area of transportation planning and traffic engineering.
- * Skills in interpersonal, problem solving and decision-making.
- * Skills in presentation of course materials and learning experiences.
- * Expertise in teaching subjects related to general civil engineering topics, including transportation and traffic engineering; with a minimum of 3 years teaching experience at the college/university level.
- * Ability to communicate clearly in English, both verbally and in writing.
- * Ability to engage, motivate, and evaluate students.
- * Ability to deal with the opportunities and challenges of a rapidly growing and changing institution.
- * Experience in developing and teaching courses.

Preferred Qualifications:

Preference goes to applicants not requiring sponsorship (e.g., H1B Visa) to work in the U.S.

Physical Requirements:

Physical requirements include frequent standing, sitting, grasping, and fine hand manipulation with continual talking hearing, and seeing. May be required to lift up to 10 lbs.
