Job Title	Biomedical engineering faculty positions at the Southern University of Science and Technology
Department	Division of Science and Engineering
Institution	South University of Science and Technology Shenzhen, Guangdong, China
Date Posted	Jul. 25, 2019
Application Deadline	Open until filled
Position Start Date	Available Immediately
Job Categories	Assistant Professor Associate Professor Professor
Academic Field(s)	Bioengineering (all Bio-related fields)
Job Website	https://www.sustech.edu.cn/
Apply By Email	bmehr@sustech.edu.cn

Job Description

The Department of Biomedical Engineering, Southern University of Science and Technology, seeks outstanding applicants for full-time tenure-track/tenured positions. The positions are open for both junior and senior-level applicants. While exceptional candidates in any area are welcome to apply, the primary focus for this search is in the areas of biomedical/medical imaging, bioMEMS, mechanomedicine, regenerative medicine, wearable devices/wireless monitoring, and biomedical data science. We are especially interested in individuals who can contribute to the excellence and diversity of our academic community. Further information of the department and facilities can be found at <http://bme.sustech.edu.cn/>.

An outstanding start-up package will be provided for the successful candidate. Applicants must have earned Ph.D. degree in biomedical engineering or a relevant field, and demonstrated excellent

qualifications in research and education. Review of applications will begin immediately and continue until the positions are filled.

All applicants should submit the following documents to bmehr@sustech.edu.cn in PDF format: (1) a detailed resume, (2) a statement of research and teaching interests, (3) up to three representative publications, and (4) the names and contact information of at least three references.

Established in 2012, the Southern University of Science and Technology (SUSTech) is a public institution funded by the City of Shenzhen, 17 min by high speed train from Hong Kong. Shenzhen is China's fastest-growing city, having become the Chinese city with the highest per capita revenue from a fishing village. The city is the high-tech and manufacturing hub of China.

The Southern University of Science and Technology is a pioneer in higher education reform in China. The mission of the University is to become a globally recognized institution which emphasizes academic excellence and promotes innovation, creativity and entrepreneurship. The teaching/research language at SUSTech is bilingual, both English and Mandarin Chinese. According to Times Higher Education World University Ranking 2019, SUSTech ranked the 8th in mainland China.
