Job Description

Florida International University is classified by Carnegie as a “R1: Doctoral Universities - Highest Research Activity” and recognized as a Carnegie Community Engaged university. It is a public research university with colleges and schools that offers bachelor’s, master’s and doctoral programs in fields such as business, engineering, computer science, international relations, architecture, law and medicine. As one of South Florida’s anchor institutions, FIU contributes almost \$9 billion each year to the local economy and is ranked second in Florida in Forbes Magazine’s “America’s Best Employers” list. FIU graduates are consistently among the highest paid college graduates in Florida and are among the leaders of public and private organizations throughout South Florida. FIU is Worlds Ahead in finding solutions to the most challenging problems of our time. FIU emphasizes research as a major component of its mission with multiple state-of-the-art research facilities including the Wall of Wind Research and Testing Facility, FIU’s Medina Aquarius Program and the Advanced Materials

Engineering Research Institute. FIU has awarded more than 220,000 degrees and enrolls more than 54,000 students in two campuses and centers including FIU Downtown on Brickell, FIU@I-75, the Miami Beach Urban Studios, and Tianjin, China. FIU also supports artistic and cultural engagement through its three museums: Patricia & Phillip Frost Art Museum, the Wolfsonian-FIU, and the Jewish Museum of Florida-FIU. FIU is a member of Conference USA and more than 400 student-athletes participating in 18 sports. For more information about FIU, visit <http://www.fiu.edu/>.

DIVERSITY MENTOR PROFESSORSHIP IN ELECTRICAL AND COMPUTER ENGINEERING
Florida International University invites applicants for a senior faculty position (Associate Professor or Professor) as part of FIU's Diversity Mentor Professorship Initiative to recruit excellent STEM faculty with a history and commitment to the mentorship of students from underrepresented and underserved populations, particularly women and Hispanic-American and African-American students.

We will consider applications in all areas of electrical and computer engineering, including: Cybersecurity and Digital Forensics; Computer Systems, IoT, Cloud/Edge Computing and Cyber Physical Systems; Artificial Intelligence and Machine Learning, Analog/Digital VLSI design and Quantum Computing. We invite applicants performing experimental, theoretical, computational, or applied research in any of these areas. Candidates that can contribute to the growth of these research centers and institute are encouraged to apply.

Successful candidates will be expected to have outstanding records of scholarly publications, research support, and teaching. The successful candidate will be expected to have a proven record of mentorship of women and underrepresented minority students and to participate in campus-wide and departmental programs that promote the goals of FIU's NSF ADVANCE Institutional Transformation grant (advance.fiu.edu), its Faculty Diversity and Inclusion Plan, and programs that provide research and professional development opportunities for our diverse student body. Faculty appointment will be made at a tenured professorial rank commensurate with current academic standing and achievement. FIU offers competitive salaries, research set-up funds, and recruitment allowances.

Qualified candidates are encouraged to apply to Job Opening ID 514306 at <https://facultycareers.fiu.edu/>. Please attach as separate documents: 1) a cover letter that specifies Electrical and Computer Engineering as your likely tenure department and includes names and contact information for referees; 2) curriculum vita; 3) statement of research interests; 4) statement of teaching interests; and 5) statement of evidence of diversity mentoring (Guidelines: go.fiu.edu/diversitystatement). Nominations and questions should be sent to: Dr. Malek Adjouadi adjouadi@fiu.edu. Review of applications will begin on November 1, 2019, and continue until the position is filled.
