The Architectural Engineering program that resides in the Civil & Environmental Engineering Department at Worcester Polytechnic Institute invites applications for candidates qualified to teach undergraduate architectural design studios and technology.

JOB DESCRIPTION

Candidates should demonstrate a strong record in architectural or engineering practice, public service, community design work, and/or other creative work related to architectural design, engineering, and contemporary practice. Candidates should demonstrate proficiency in the use of design and visualization software, physical model making, and/or other techniques and their use in architectural and engineering studio based education. Architectural/engineering registration or a Ph.D. is preferred.

FLSA STATUS

United States of America (Exempt)

WPI is an Equal Opportunity Employer. All qualified candidates will receive consideration for employment without regard to race, color, age, religion, sex, sexual orientation, gender identity, national origin, veteran status, or disability. We are seeking individuals with diverse backgrounds and experiences who will contribute to a culture of creativity and collaboration, inclusion, problem solving and change making.
