anticipating hiring a full-time tenure-track faculty member at the rank of Assistant or Associate Professor.

UMass Lowell is a comprehensive four-year university, strategically located 25 miles northwest of Boston in the northeast Massachusetts high-tech region. It is a Carnegie Doctoral High Research (RU/H) university and ranked in the top tier of US News' National Universities. The department has over 1,000 undergraduate students and over 300 graduate students. An optional co-op program is available to undergraduates. The undergraduate engineering program is based on a design-build-test methodology and is ABET accredited.

For more information on our department at UMass-Lowell, please visit our website at:  
<https://www.uml.edu/engineering/electrical-computer/>

Responsibilities:

- Collaborate with existing faculty members.
- Teach classes to support the undergraduate and graduate programs.
- Develop new courses.
- Advise graduate students.
- Pursue external funding to support research in one of the following areas: Power/Energy: power electronics-low and high power, smart-grids, renewable energy generation, energy harvesting, energy conversion and storage-small and large scale, novel battery systems, power reliability from devices to systems, computational and experimental methods and other areas.

Minimum Qualifications (Required):

Applicants must have earned Bachelor and Doctoral degrees in Electrical and/or Computer Engineering, or closely related disciplines (by the start of the appointment)

Applicants are required to have a record of quality research, teaching and scholarship

The ability to work effectively with diverse groups

Special Instructions to Applicants:

- Appointment to begin fall 2020.
- Review of applications will begin immediately and continue until the position is filled. However, the position may close when an adequate number of qualified applications are received.
- Please include a CV, cover letter, teaching statement/philosophy, research statement, and publication list with your application. Names and contact information for three references will be required at the time of application.
- To apply, please visit: <https://explorejobs.uml.edu/lowell/en-us/job/503622/tenure-track-assistantassociate-professor-in-powerenergy>
