Job Title	Faculty Position in the International College of Semiconductor Technology
Department	International College of Semiconductor Technology http://icst.nctu.edu.tw/
Institution	National Chiao Tung University Hsinchu, , Taiwan
Date Posted	Aug. 4, 2020
Application Deadline	Open until filled
Position Start Date	Negotiable
Job Categories	Assistant Professor Associate Professor Professor
Academic Field(s)	Electrical and/or Electronics Engineering - Other
Apply By Email	icst@nctu.edu.tw

Job Description

Faculty Position in the International College of Semiconductor Technology, National Chiao Tung University

The Faculty of NCTU's International College of Semiconductor Technology (ICST) is pleased to invite applications for a tenure-track faculty position at the levels of Assistant, Associate, or Full Professor. Candidates must have a Ph.D. or its professional equivalence by the starting date of the appointment. We welcome applicants who conduct cutting-edge research relevant to semiconductor technology and show strong interest in teaching and mentoring students at the graduate level. Candidates with extensive industrial experiences are specifically preferred. For the level of Full Professor, we expect the candidates to be luminaries in their research area of expertise.

National Chiao Tung University (NCTU) is renowned for seeding the development of semiconductor science and technology in Taiwan, essential for the success of its modern IC industry. The ICST at NCTU is committed to excellence in research at international level with English medium teaching for M.S. and Ph.D. programs. We plan to build a faculty community from international scholars that draws strength from its diversity. Members of our faculty are expected to conduct original research of exceptionally high quality and teach effectively with a strong focus on semiconductor technology. Serving as the hub of research activities related to semiconductor technology in NCTU, the ICST encourages multidisciplinary collaborations with academic departments across NCTU as well as the industries nationwide, particularly those located in the Hsinchu Science-Based Industrial Park.

Applications will be reviewed as they are received. NCTU is an equal opportunity employer with a strong commitment to excellence in research and diversity among its faculty and staff.

1. Curriculum Vitae (including contact information)
2. Photocopy of graduate school transcript
3. Photocopy of the Ph.D. diploma
4. Research and teaching statements
5. Publication list
6. Three representative publications
7. Abstract of the Ph.D. dissertation
8. Three professional references

Please send these application materials to Ms. Huang (e-mail: icst@nctu.edu.tw)
