Requirements

Applicants with a PhD and strong background in Biomedical Engineering are invited for faculty positions at all levels. Preference will be given to candidates with specialties in the areas of Biomedical Imaging and Bioinstrumentation, Cell/Tissue Engineering and Biomechanics, Robotics and Artificial Intelligence for Biomedical Applications, and Biosensors and Health Informatics. Candidates must be committed to high quality teaching for a diverse student body at both undergraduate and graduate levels.

Outstanding candidates in other areas will also be considered. Successful candidates are expected to possess a solid disciplinary foundation and demonstrated potentials/records of outstanding scholarship in both teaching and research.

Salary and Conditions of Service

Remuneration package will be driven by market competitiveness and individual performance. Excellent fringe benefits include gratuity, leave, medical and dental schemes, and relocation assistance (where applicable). Initial appointment will be made on a fixed-term contract.

Information and Application

Further information on the posts and the University is available at <http://www.cityu.edu.hk>, or from the Department of Biomedical Engineering, City University of Hong Kong, Tat Chee Avenue, Kowloon Tong, Hong Kong (<http://www.cityu.edu.hk/bme>; email : bmego@cityu.edu.hk).

To apply, please submit an online application at <http://jobs.cityu.edu.hk>, and include a current curriculum vitae. Nominations can be sent directly to the Department Head (email: bmehead@cityu.edu.hk). Applications and nominations will receive full consideration until the positions are filled. Only shortlisted applicants will be contacted; and those shortlisted for the post of Assistant Professor will be requested to arrange for at least 3 reference reports sent directly by the referees to the Department, specifying the position applied for. The University's privacy policy is available on the homepage.

EEO/AA Policy

City University of Hong Kong is an equal opportunity employer and we are committed to the principle of diversity. Personal data provided by applicants will be used for recruitment and other employment-related purposes.
