- Ability to conduct research or service in support of the mission and vision of the school

**About the School:**

The University at Buffalo's School of Architecture and Planning is the only school of architecture and planning within the 64-campus State University of New York (SUNY) system. The school offers the following degrees: Bachelor of Arts in Environmental Design, Bachelor of Science in Architecture, Master of Urban Planning, Master of Architecture, Master of Science in Architecture, and Master of Science in Real Estate Development, and PhD in Urban Planning. Embedded in our urban contexts here and around the world, we are architecture and planning hands on, full scale, all in. As a community of thought leaders and aspiring architects and urban planners, we think and act on the edge of knowledge and practice, guided by a culture of experimentation, a core belief in learning by doing, and a spirit of public service and inclusion. We prove every day that design and planning are agents of change for community, place, culture, social justice and the natural world.

\*This is a pooled posting, and positions are filled on an as-needed basis.\*

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
