NYUAD values diversity, inclusion, belonging, and equity; such principles are fundamental to the university commitment to excellence. Our faculty are the engines that sustain our inclusive environment; NYUAD students come from more than 115 countries, with no single one nationality exceeding more than 15 percent of the total student population. Likewise, our faculty are highly diverse and community minded: our modern campus is home to over 320 faculty who represent more than 45 different nationalities, all of whom bring a global perspective to their classrooms and research projects. Research is advanced by over 400 highly qualified research staff, who are likewise drawn from all over the world.

Successful candidates will receive a generous startup package, as well as renewable research funding to hire research assistants and postdocs, and will also have access to internal funding. It is also expected that the successful candidate will become Associated Faculty of NYU that allows research privileges and access to programs and facilities at the NYU Tandon School of Engineering in New York.

About NYU Abu Dhabi

Established in partnership between New York University (NYU) and the emirate of Abu Dhabi, NYU Abu Dhabi (NYUAD) has assembled over the past decade a remarkable community of scholars, students, researchers, artists, inventors, and others who have contributed to the growth of the UAE's capital as a global hub of knowledge and culture, while establishing a new model of higher education for today's complex world.

NYUAD is animated by inspiring, diverse faculty, students, and staff working together in an exciting and dynamic city. As an international center of excellence in teaching and research, our goal is to attract outstanding faculty who are leaders in their fields, encouraging them to create programs that draw outstanding students and providing an intellectually rich environment.

Students are drawn from among the world's best. They are bright, intellectually passionate, and committed to building a campus environment anchored in mutual respect, understanding, and care. The NYUAD undergraduate student body has garnered an impressive record of scholarships, graduate-school appointments, and many other global honors. Graduate education is an area of growth for the university and the current graduate student population of over 100 students is expected to expand in the next decade.

NYUAD is committed to building and strengthening a university-wide culture of inclusion, diversity, belonging, and equity (IDBE). For more information on NYUAD's commitment to IDBE and how these values create fundamental to our mission please visit <https://nyuad.nyu.edu/en/about/inclusion-diversity-belonging-and-equity.html>.
