Job Description	

Assistant/Associate Professor of Computer Engineering

As a part of a diverse community of faculty and staff who represent many faith systems and worldviews, the E.S. Witchger School of Engineering at Marian University located in Indianapolis seeks qualified applicants for a full-time, tenure-track faculty position in computer engineering starting in Fall 2022. We invite applicants holding a Ph.D. in all fields related to computer engineering including, but not limited to, computer architecture and high-performance computing, cybersecurity, computer vision and image processing, embedded systems, Internet of Things (IoT), automation, advanced manufacturing, machine learning/artificial intelligence and energy and power management.

The E.S. Witchger School of Engineering at Marian University is a collaborative and growing academic community committed to fostering student engagement, problem solving, and communication. U.S. News ranks Marian University as a top 30 regional Midwest university and top 5 in Best Value and Most Innovative university. Marian University has experienced significant growth over the last decade and is expanding its academic offerings. The E. S. Witchger School of Engineering is Marian University's latest bold endeavor. We will enroll our first engineering class in Fall 2022 and open a brand-new engineering building, currently under construction, in Fall 2023. Prospective faculty are invited to join this exciting venture. <https://www.marian.edu/witchger-school-of-engineering/about-the-school-of-engineering>

Indianapolis, the state capital and most-populous city in Indiana, is a vibrant, cosmopolitan city offering numerous cultural, dining and sporting activities. Indianapolis has been named Time Magazine's "World's Greatest Places 2021" and regularly tops Money Magazine's list of "Best Places to Live."

Apply online here: <https://marian.peopleadmin.com/postings/581>

Review of applications will begin October 15 and continue until the position is filled. Applications require a cover letter, current CV, teaching statement, research statement, contact information for 3 professional references, and responses to supplemental mission questions. Information requests should be sent to WitchgerEngineering@marian.edu.

EEO/AA Policy

Marian University is an Equal Opportunity Employer. All individuals, including minorities, women, individuals with disabilities, and veterans are encouraged to apply.
