<b>Job Description</b>	

The Mechanical Engineering Department at Tennessee Tech invites applications for two open rank tenure-track/tenured positions in broad areas of mechanical engineering. Applications are sought from candidates who can help the department to conduct innovative research and provide a world-class education. Areas of interest include but are not limited to energy systems, thermal science and fluid flow; advanced manufacturing; mechanics and materials; and data science for design and engineering. The Department is especially interested in qualified candidates who can contribute through their research, teaching, and/or service to the diversity and excellence of the academic community.

Assistant/Associate/Full Professor of Mechanical
