both a "Research I" university and a top-ranked undergraduate institution. The past ten years have been a period of extraordinary growth for SOE at Tufts, with recruitment of over half of its current tenured and tenure-track faculty members and a more than three-fold increase in research productivity. Tufts offers the best of a liberal arts college atmosphere, coupled with the intellectual and technological resources of a major research university. Home to seven graduate and professional schools across three campuses, Tufts University prides itself on its culture of cross-school partnerships. Located on Tufts' Medford/Somerville campus, only six miles from historic downtown Boston, SOE faculty members have extensive opportunities for academic and industrial collaboration, as well as participation in the rich intellectual life of the region.

### Qualifications

We are looking for experienced engineers with strong teaching and communication skills. Advanced degree or equivalent industry experience is required, PhD is preferred. We will give preference to engineers who have previously demonstrated exceptional teaching skills.

### Application Instructions

Applicants should submit a letter of intent, Curriculum Vitae, and previous teaching evaluations (if available) electronically via <https://apply.interfolio.com/107351>. Candidates are encouraged to demonstrate attention to diversity and inclusion as it relates to teaching and scholarship throughout their application. Review of applications will be ongoing until the position is filled.
