Rocky Mountains. The department has a strong commitment to undergraduate education and maintains externally funded research programs in power systems and control systems. Application screening starts immediately and continues until the position is filled. A cover letter, resume, and the names of three references are required. For more information and to apply, please visit www.mtech.edu (<http://montanatechuniversity.applytojob.com/apply>) Montana Tech is an Equal Employment Opportunity/Affirmative Action Employer.

EEO/AA Policy

Montana Tech is committed to providing a working and learning environment free from discrimination. As such, the University does not discriminate in the admission, access to or conduct of its educational programs and activities nor in its employment policies and practices on the basis of race, color, religion, national origin, ethnicity, creed, service in the uniformed services (as defined in state and federal law), veteran status, gender, age, political beliefs, marital or family status, pregnancy, physical or mental disability, genetic information, gender identity, gender expression, or sexual orientation or preference. In support of the University's mission to be inclusive and diverse, applications from qualified minorities, women, veterans and persons with disabilities are highly encouraged. Montana Tech makes accommodation for any known disability that may interfere with an applicant's ability to compete in the hiring process or an employee's ability to perform the duties of the job. In compliance with the Montana Veteran's Employment Preference Act, Montana Tech provides preference in employment to veterans, disabled veterans, and certain eligible relatives of veterans. To claim veteran's preference please complete the employment (veteran's) preference form located on the employment page. You must include the job title of the position in which you are applying. To request an accommodation, contact Cathy Isakson 406-496-4380; cisakson@mtech.edu.
