Job Description

The [Department of Mechanical and Aerospace Engineering \(MAE\)](#) at University at Buffalo (UB) invites candidates to apply for the positions of **Associate Professor or Full Professor** with a start date in Spring or Fall 2024. We seek candidates who can operate effectively in a team environment and in a diverse community of students and faculty and share the department's vision to help all constituents reach their full potential.

The successful candidate will be expected to teach courses at the graduate and undergraduate levels, mentor graduate students, advise students at all levels, and maintain an active research program. Successful candidates for an Associate Professor or Full Professor position should have a strong record of scholarly accomplishments, teaching experience and a sustained externally funded research

program. Candidates with research expertise in dynamics and control, fluid-thermal sciences, or materials are preferred, but all areas of mechanical and aerospace engineering will be considered.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. Visit our benefits website to learn about our [benefit packages](#).

About The University at Buffalo

The University at Buffalo, a member of the prestigious Association of American Universities, is the largest and most comprehensive university in The State University of New York system, with about 20,000 undergraduates and 10,000 graduate students and 1600 full-time faculty. The School of Engineering and Applied Sciences has 6,000 students enrolled across 9 academic departments. It is home to multiple centers of excellence, including CEAR, CHREST, IAD, RENEW and SMART. The University at Buffalo is an affirmative action/equal opportunity employer (AA/EOE).

About Buffalo

Buffalo is a city with a rapidly growing economy, eclectic neighborhoods, world-class art galleries and museums, a vibrant theater and music community, the Lake Erie waterfront, a city-wide system of parks designed by renowned landscape architect Frederick Law Olmsted, and major and minor league sports teams. The awe-inspiring Niagara Falls is just 20 minutes away. The department is located on the UB North Campus in suburban Amherst, an area that combines outstanding public schools and services with a surprisingly low cost-of-living.

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
