Job Description

Job Description

Teaching-track Faculty Positions in Systems and Enterprises

The School of Systems and Enterprises (SSE) at Stevens Institute of Technology invites applications for teaching-track faculty positions, starting Fall 2024 or on a mutually agreed upon date. Successful teaching faculty will contribute to a dynamic and growing educational school that provides students with a research-centered interdisciplinary and transdisciplinary education embedded in systems thinking and design, more specifically in the areas of engineering management, systems engineering, software engineering, cybersecurity, industrial engineering, complex systems, and underlying enabling technologies, such as machine learning and data engineering. The individual is expected to deliver a first-class teaching experience that offers undergraduate and graduate students an exceptional,

practice-based, and research-supported education that translates immediately into expertise that students can take to the workplace. Among the available assignments is the teaching of courses offered through the SSE corporate education program. Industry experience is a plus for these positions. These courses may be offered in in-person and virtual formats with flexible scheduling based on corporate partners needs and preferences.

Job Duties

Faculty duties include teaching at the undergraduate and graduate levels, advising and mentoring undergraduate/graduate students, course development and delivery, and contributing service to Stevens and the professional community.

Basic Qualifications

- Applicants must possess a doctoral degree in a related engineering or science discipline prior to commencement of employment.
- Demonstrated evidence of relevant teaching or relevant industry-based professional expertise that will benefit the preparation of students for the workplace required.
- Experience with advising and/or mentoring desirable.
- Excellent oral and written communication skills a must.

To apply, please submit your package as a single PDF file that contains your curriculum vita, cover letter, research statement, teaching statement, and contact information for 3 references online at [Stevens/SSE Career Opportunities](#). If you have any questions, please direct your inquiries to Dr. Zhongyuan Yu at zyu7@stevens.edu. Review of applications will commence immediately and continue until the position is filled.

Department

Systems & Software

General Submission Guidelines:

Please submit an online application to be considered a candidate for any job at Stevens. Please attach a cover letter and resume with each application. Other requirements for consideration may depend on the job.
