Posted Dec. 5, 2023, set to expire Jun. 3, 2024

The Department of Civil and Environmental Engineering at the American University of Beirut invites applications for four tenure-track faculty positions, preferably at the level of Assistant Professor, in the areas of (1) Construction Engineering and Management, (2) Materials and Pavement Engineering, (3) Transportation and Traffic Engineering; (4) Environmental Engineering, and (5) Water Resources Engineering. Applications for visiting positions in all ranks may also be considered.

The successful candidate must hold a doctorate in Civil Engineering or a related field and must demonstrate potential for quality research and teaching. Faculty are expected to teach and conduct research in their areas of specialty, with emphasis on contemporary problems in such areas as: sustainable design, materials, and construction; smart systems and technologies; big data analytics; and climate change mitigation and critical civil infrastructure resilience and solutions.

Please send a letter of interest indicating position and area applied to, statements of teaching and research interests, curriculum vitae, and the names and contact details of at least three references to: Dean Alan Shihadeh, Maroun Semaan Faculty of Engineering and Architecture, American University of Beirut, [msfea@aub.edu.lb](mailto:msfea@aub.edu.lb).

Consideration of the received applications will begin as of December 15, 2023 and will continue until each position is filled. The proposed starting date for the positions is September 1, 2024.

The American University of Beirut is an affirmative action, equal opportunity employer. For additional information about the CEE department, the Maroun Semaan Faculty of Engineering and Architecture, and AUB please visit [www.aub.edu.lb/msfea](http://www.aub.edu.lb/msfea).
