Materials, Vibrations, Mechatronics and Computational Modeling. This position is a full-time, tenure-track faculty position at the assistant or associate professor level commensurate with experience and accomplishments. Candidates must have an earned doctorate in mechanical engineering, or a related discipline, and must have excellent teaching and communication skills. Industry experience, in the area of machine design, and professional registration are preferred. The appointment begins August 1, 2024.

The Mechanical Engineering program is ABET accredited and is wholly undergraduate. The successful candidate will be expected to teach undergraduate mechanical engineering courses, mechanical design courses, advise/supervise student projects and research, and enhance current departmental research areas.

VMI is a public, four-year undergraduate military college for men and women (1500 students) located in the historic Shenandoah Valley of Virginia. All faculty members are required to wear a military uniform.

EEO/AA Policy

In a continuing effort to enrich its academic environment and provide equal educational and employment opportunities, VMI encourages women, minorities, disabled individuals and veterans to apply. AmeriCorps, Peace Corps and other national service alumni are also encouraged to apply. VMI will provide reasonable accommodation to qualified individuals with documented disabilities to ensure equal access and equal opportunities with regard to employment, educational opportunities, programs and services.
