<b>Job Description</b>	

**This position is located at Auburn University - Stormwater Research Facility located in Opelika, AL.**

The Samuel Ginn College of Engineering's Civil and Environmental Engineering department is seeking candidates for the **Research Tech** position. This position will provide research support in the capacity of a research technician at a large-scale lab facility to maintain, schedule, and operate the facility in an efficient manner. The research involves setting up and conducting large-scale channelized flow experiments. It also involves directing undergraduate research assistants to help with daily tasks associated with the functioning of the facility.

Provides direct technical support to researchers by maintaining, scheduling, and operating facilities and equipment; collecting and/or providing technical expertise on specimens/samples; and gathering/reporting data.
