### Apply By Email

### Job Description

Graduate Research Assistantship available in the Dept of Mechanical Engineering at Marquette University in Milwaukee, WI.

A funded (tuition + stipend) graduate research assistantship is available for a master's or PhD student beginning in Summer or Fall 2024. This NSF funded research project is focused on simulation of droplet vaporization and spray combustion and will examine the impact of real fuel composition on pollutant formation. Applicants should have a B.S. or M.S. in an engineering discipline and an interest in energy, thermodynamics, heat and mass transfer, and computational fluid dynamics.

For more information or to apply, please contact Dr. Simcha Singer at [simcha.singer@marquette.edu](mailto:simcha.singer@marquette.edu) (single email only please).
