Department: Electrical and Computer Engineering

Discipline: Computer/Electrical Engineering

Vacancy Date: Fall 2024

Profile:

The Department of Electrical and Computer Engineering at the School of Engineering invites applicants for a tenure-track faculty position in the area of hardware at the Assistant and Associate Professor ranks effective September 2024.

Candidates must have a Ph.D. degree in Computer or Electrical Engineering with a specialization in any area related to computer hardware (Digital Systems, Embedded Systems, HDL, VLSI, Microelectronics, Integrated Circuits).

The successful candidate will be expected to teach at both the graduate and undergraduate levels and to actively participate in research as well as to perform services to the university. The teaching activities will cover both the Byblos and Beirut campuses.

Interested candidates should apply electronically by sending an email to the School of Engineering Dean's Office at dean.soe@lau.edu.lb with the subject "Hardware Full-Time Faculty Position" and include the following attachments:

- Letter of interest
- Complete CV with a list of publications
- Research statement
- Teaching statement
- The names and contact information of 3 references.
