The Research Fellow/Technical Project Lead will lead and participate in the Blockchain research projects hosted by CCTF and support the Centre Director in the development of major research grants for Blockchain.

### **Key Responsibilities:**

#### **1. Research and Innovation:**

- Conduct cutting-edge blockchain research, particularly in Smart Grids and Energy Trading.
- Collaborate on innovative solutions with multidisciplinary teams.
- Publish findings in reputable journals and present at academic conferences.
- Lead and participate in NTU-CCTF's Blockchain research projects.
- Support major research grant proposals for Blockchain initiatives.

#### **2. Mentorship:**

- Guide and mentor undergraduate, graduate, and PhD students in related research.
- Act as a technical mentor for NTU's Blockchain Club, assisting students in blockchain-related activities.

#### **3. Interdisciplinary Collaboration:**

- Foster collaborations within NTU and with external partners, including government agencies and industry leaders.

#### **4. Support:**

- Assist in teaching activities and contribute to Blockchain course materials for the MSc in Blockchain and other Continuing Education and Training (CET) programs.
- Actively participate in the activities of CCTF, contributing to the smooth functioning of the Centre.

### **Job Requirements:**

- PhD in Computer Science/Engineering, Mathematics, Information Systems, or related fields.
- Proven expertise in Blockchain technologies or platforms like Ethereum, Algorand, Conflux, etc.
- Familiarity with blockchains, smart contracts, Web 3.0 and decentralized systems.
- Proficiency in at least one programming language (C/C++, Python, Java).
- Strong mentorship and communication skills for guiding students.
- Excellent interpersonal skills for effective collaboration with multidisciplinary teams and students.

An initial 1-year contract will be offered, with an option to renew for 2 additional years upon satisfactory performance.

We regret that only shortlisted candidates will be notified.
