Job Description

The Opportunity

The Department of Computer Science at the University of Central Florida (UCF) invites applicants for multiple 9-month, full-time, non-tenure earning instructor, lecturer, or associate lecturer positions with an anticipated start date of December 23, 2024. The selected candidates will teach Computer Science and Information Technology courses. This will be a full-time academic load, which consists of 7 courses per academic year. The courses may include various topics in our undergraduate Computer Science and Information Technology programs. We are especially interested in applicants capable of teaching in some of the following areas: cybersecurity, networking, digital forensics, data science and

mobile programming, data management technologies, discrete mathematics, computer science theory, algorithms, and programming at all levels. Other responsibilities include holding office hours, conducting required academic performance assessments, and development of instructional content for course enhancement. A supplemental summer appointment may be offered.

Minimum Qualifications:

An earned master's degree (for instructor) or doctorate (for lecturer) in Computer Science or a closely related discipline from an accredited institution by the start of the appointment.

For an associate lecturer, a doctorate in Computer Science or a closely related discipline from an accredited institution and five years of experience as associate lecturer or equivalent at a four-year institution are required.

Preferred Qualifications:

College-level teaching experience is highly preferred for all ranks.

Additional Application Materials Required:

UCF requires all applications and supporting documents be submitted electronically through the Human Resources employment opportunities website, <https://www.ucf.edu/jobs/>. In addition to the online application, candidates should upload a cover letter, a current curriculum vitae, and a list with contact information for three (3) professional references.

NOTE: Please have all documents ready when applying so they can be simultaneously uploaded. Once the online submission process is finalized, the system does not allow applicants to submit additional documents later.
