Job Description

The Department of Civil Engineering at the University of Kentucky seeks candidates for a tenure-eligible, 9-month appointment (Regular Title Series) faculty position at the assistant or associate professor level in the area of Natural Hazards Engineering, with a strong interdisciplinary background in geotechnical/geological engineering and engineering geology.

The city of Lexington is ranked #3 Best City to Raise a Family, #21 Best Places to Live in America, and #31 Most Educated City in America. The University of Kentucky is the flagship university for the Commonwealth and is one of only eight universities in the United States that house colleges of agriculture, law, business, engineering, medicine, and pharmacy on a single campus. Employment at UK comes with diverse rewards, focusing on your total well-being and career development, with leadership striving to provide a strong work-life integration. To learn more about these benefits, please
