<b>Job Description</b>	

Research Opportunities

**Biomedical Engineering**

**Work description**

Investigate and propose new multimodal denoising algorithms for pulmonary auscultation signals. Investigate and propose new deep learning solutions for detecting and characterizing events in pulmonary auscultation signals.

## INESC TEC | Research Grant (AE2024-0370) INESC TEC

### Academic Qualifications

MSc in Biomedical Engineering, Electrical Engineering, Informatics Engineering. Data Science, or related

### Minimum profile required

Experience in python; experience in deep learning; experience in biomedical signal processing and analysis

### Preference factors

Scientific publication experience

**Maintenance stipend:** € 1259,64, according to the table of monthly maintenance stipend for FCT grants , paid via bank transfer. Grant holders may be awarded potential supplements, according to a quarterly evaluation process (Articles 19, 21 and 22 of the Regulations for Grants of INESC TEC and Annex II), up to a maximum limit of 50% of the monthly maintenance stipend.

INESC TEC supports costs with registration, enrolment or tuition fees, during the grant duration, under the terms established in the internal document: "Payment of Tuition fees to grant holders".

The grant holder will benefit from health insurance, supported by INESC TEC.

### Application Period

Since 22 Aug 2024 to 08 Sep 2024

### Centre

Biomedical Engineering Research

### Scientific Advisor

[Francesco Renna](#)

### What we offer

- **Multicultural and collaborative environment**
- A multicultural, international and collaborative environment that makes it easier to exchange ideas, work in networks and create synergies.
- **International projects**
- The possibility of working in international projects with some of the most important companies in the field.
- **Mentoring**
- Mentoring with the best researchers in the fields of electrical and industrial engineering, bioengineering, information technology and physics.
- **Self Improvement**
- The possibility of participating in international conferences, workshops, seminars and vocational training.
- **Other Benefits and Perks**
- Flexible working time, health insurance, discounts in hotels, transportation, etc.
- **Informal Events**
- Annual informal events, such as the multicultural party.
