<b>Job Description</b>	

**This is a pool posting for future vacancies in this job classification. This is a two-year limited term appointment. Continuation of employment will be contingent upon the availability of funding.**

**The Samuel Ginn College of Engineering** is seeking candidates for multiple positions for Research Engineers. A Research Engineer conducts research in various fields of engineering to design and develop technology and to carry out investigations, evaluation, and application of engineering theories and principles. These positions will be based on two-year terms which will be renewable based on performance and abilities to secure and support externally funded research.

**About Auburn:** Auburn was named by Forbes Magazine as one of the state of Alabama's best employers, with employees staying an average of ten years! Learn more about Auburn's impact, generous employee benefits, and thriving community by visiting [aub.ie/working-for-auburn](http://aub.ie/working-for-auburn).

**It's a Lifestyle:** The Auburn/Opelika area is a page right out of Southern Living magazine with an idyllic small-town feel, perfecting a unique balance between a close-knit community and driving consistent growth and development. Paralleling the exponential growth of Auburn University, the Auburn/Opelika area boasts services and amenities that cater to any interest. We're proud of our top school systems, city services, award-winning restaurants, and the infectious spirit of life in a college town. You can find us nestled halfway between the beach and the mountains in a lower-cost-of-living area, two hours outside of Atlanta or Birmingham. If you're new to Auburn, we'd love to introduce you. If you're already acquainted with Auburn, we'll keep it simple: it's time to come home!
