Job Description

The Aerospace Engineering Department is inviting applications for two tenure-track faculty positions at the Assistant Professor level. The positions will begin in August 2025 – Fall semester. The responsibilities will include teaching a wide variety of courses in aerospace engineering, with a primary focus on teaching and conducting research in at least one of the following areas:

1. **Aerodynamics:**Both Low- and High-Speed Aerodynamics with special interest in candidates with experience in theoretical and experimental Hypersonics.
2. **Aerospace Structures:**With a special interest in candidates with experience in theoretical and experimental aerospace structures.

A Ph.D. in Aerospace Engineering or a closely aligned field from an accredited university is required by the date of appointment. Commitment to Inclusive Excellence and Student Success is required. Demonstrated ability to provide hands-on education in a multidisciplinary and diverse environment, excellent oral and written communication skills, a strong interest in curriculum and laboratory development in our B.S. and M.S. programs, pursuing grants, and supervising student research are preferred. Preference will be given to candidates with a B.S. degree in Aerospace Engineering from an ABET-accredited program, aerospace teaching, and industrial experience.

Opportunities for research, consulting, and summer employment in the aerospace industry and/or Government research centers are available in Southern California.

Consideration of completed applications will begin on October 20, 2024, and will continue until the position is filled.

For expanded position description and application information, please go to [PageUP](#).

For general inquiries and to express your interest in this position, email the Search Committee Chair, Dr. Navid Nakhjiri, at nnakhjiri@cpp.edu.

EEO/AA Policy

Equal Employment Opportunity Statement California State Polytechnic University, Pomona is an Equal Opportunity, Affirmative Action Employer. The University seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the people of California, to maintain the excellence of the University, and to offer our students richly varied disciplines, perspectives and ways of knowing and learning. Cal Poly Pomona subscribes to all state and federal regulations and prohibits discrimination based on race, color, religion, national origin, sex, gender identity/gender expression, sexual orientation, marital status, pregnancy, age, disability, genetic information, medical condition, and covered veteran status. The University hires only individuals lawfully authorized to work in the United States. As required by the Clery Disclosure Act, the university's annual security report is available at <http://www.cpp.edu/~police/annual-security-report.shtml>. The person holding this position is considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment. A background check (including a criminal records check) must be completed satisfactorily
