Job Description

The United States Military Academy invites applications from outstanding candidates with a background in Aerospace, Aeronautical, or Astronautical Engineering for tenure track and non-tenure track academic faculty positions at the Assistant or Associate Professor level in the Academy's developing Aerospace Engineering program. We seek candidates who can operate effectively in a diverse community of students and faculty and share our vision of being “ the preeminent developer of undergraduate engineer-leaders.” Superior communication skills and dedication to excellence in teaching are absolute requirements of these positions.
