Job Summary

We are seeking a talented individual who is passionate about teaching and is invested in the success of our students. If you would like to be a part of a professional, collaborative team devoted to making a significant and lasting impact on the lives of young engineers and computer scientists, we invite you to apply for a tenure-track faculty position at the rank of Assistant/Associate/Full Professor to begin August 19, 2025.

Review of applications will begin Nov. 1 and will continue until the position is filled. Questions concerning the position should be referred to Dr. Heath LeBlanc, Professor and Chair, Electrical and Computer Engineering and Computer Science (ECCS) Department, h-leblanc@onu.edu. Further information about the University is available at <http://www.onu.edu>

Principle Responsibilities:

Teaching courses within the ECCS Department is expected. Professional development and service to the department, college, university, profession, and community are also expected. Tenure-track faculty are expected to pursue scholarly research and professional development opportunities.

Required Skills:

The applicant must be committed to teaching excellence in undergraduate engineering and computer science education and must possess excellent verbal and written communication skills.

Minimum Qualifications:

A.B.D. candidate with doctoral degree expected to be completed by 08/2025 or Ph.D. in Electrical Engineering, Computer Engineering, Computer Science, or closely related field.
