Job Description	

Job Description Summary

The Department of Aerospace Engineering at Auburn University invites applications for multiple **open rank tenure-track faculty positions (Assistant, Associate or Full Professor)**. Applications are invited in all areas related to aerospace engineering. Candidates are *especially encouraged to apply* with expertise in: flight mechanics, control systems, aerospace design, and space engineering; and aerospace structures, materials, and manufacturing. Candidates will be expected to fully contribute to the department's mission through (i) the development of a strong, nationally recognized, funded research program, (ii) teaching aerospace engineering related courses at both the undergraduate and graduate level, and (iii) professional service. Successful candidates will have a demonstrated track

record of scholarship, a creative vision for research, an active interest in engineering education, and excellent written and interpersonal communication skills. For applications at the rank of Associate or Full Professor, an emphasis will be placed on the strength and caliber of the candidate's existing research program and the candidate's ability and desire to provide mentorship and leadership to junior faculty members in a rapidly growing department.

Minimum Qualifications

Candidates must have an earned Ph.D. in aerospace, mechanical, electrical engineering, or a closely related field at the time of employment. The selected candidate must meet eligibility requirements to work in the United States at the time the appointment is scheduled to begin and continue working legally for the proposed term of employment. The selected candidate must possess excellent written and interpersonal communication skills.

Special Instructions to Applicants

Candidates should log in and submit a cover letter, CV, research vision, teaching philosophy, and three references at <https://www.auemployment.com/postings/46133>. Cover letters may be addressed to: Dr. Brian Thurow, Search Committee Chair, 211 Davis Hall, Auburn University, AL 36849. To ensure full consideration, candidates should apply before August 1, 2024 although applications will be accepted until the positions are filled. The successful candidate must meet eligibility requirements to work in the U.S. at the time the appointment begins and continue working legally for the proposed term of employment.
