**Job Description**

The Department of Engineering Technology at the University of Louisiana at Lafayette is accepting applications for a 9-month non-tenure track instructional position (teaching faculty) starting August 2025. Individuals with a terminal degree in construction management, industrial engineering, engineering management, technology management, or a closely related field are encouraged to apply.

Candidates should be willing to engage in a variety of instructional modalities, including online instruction and a commitment to undergraduate and graduate student research.
