<b>Job Description</b>	

The Department of Computer Science at the University of Kentucky invites applications for the position of Lecturer. This position is a non-tenure track faculty position on a renewable one-year contract; appointments are nine-month, renewable with a start date of August 1, 2025. Longer contracts may be offered upon successful completion of initial assignments.

Duties will include teaching a broad range of undergraduate courses (but not First Year Engineering courses), holding office hours, grading, supervision of teaching assistants and development of course materials. Multiple sections of lecture and laboratory courses will be offered each semester.

Applicants should have strong written and oral communication skills and a commitment to excellence in undergraduate education. Lecturer positions do not have required research responsibility; however interest in research will be viewed favorably. Lecturer applicants should hold a Master's degree in Computer Science or Computer Engineering. PhD preferred. Applicants with a Bachelor's degree in

Computer Science or Computer Engineering and strong industry experience will also be considered. Successful candidates will be expected to have prior relevant teaching and/or industry experience.

Review of credentials will begin immediately and continue until the position is filled.

Applications must include the following: a letter of application (upload under cover letter), a curriculum vitae or resume, and a statement of teaching philosophy (upload under Specific Request 1); as well as the names and contact information for at least three references when prompted in the application. This information may be utilized to solicit recommendation letters from your references within the employment system in advanced rounds of the interview process.

Questions should be directed to HR/Employment by phone at 1-859-257-9555 press 2 or email ([ukjobs@uky.edu](mailto:ukjobs@uky.edu)), or to Diane Mier ([diane.mier@uky.edu](mailto:diane.mier@uky.edu)) in the department of Computer Science. Please note that, to be considered an applicant, applications must be submitted through the UK Jobs site.

The University of Kentucky is located in the heart of the Bluegrass Region, one of the top ranked areas in the country for quality of life. Additional information regarding the Department and the University can be found at <http://www.uky.edu>.

Upon offer of employment, successful applicants must undergo a national background check as required by University of Kentucky Human Resources.

The University of Kentucky is an equal opportunity employer and especially encourages applications from women and members of underrepresented groups.
