Job Description	

The Department of Electrical and Computer Engineering at the University of Kentucky invites applications for the position of Lecturer. This is a non-tenure-eligible faculty position with duties oriented primarily towards undergraduate instruction in the electrical and computer engineering programs. The typical teaching load for this position will be 3 courses per semester. The initial appointment is for 2 years and is renewable. The anticipated start date is January, 2025.

Applicants must hold a Ph.D. degree in Electrical or Computer Engineering (or a closely related field). Applicants should have strong written and oral communication skills and a commitment to excellence in undergraduate education. Applicants with industrial experience or professional licensure are encouraged to apply.

The city of Lexington is ranked #3 Best City to Raise a Family, #21 Best Places to Live in America, and #31 Most Educated City in America. The University of Kentucky is the flagship university for the
