Job Description

The Autonomy Lab at Florida Tech, Melbourne, FL, is seeking an outstanding postdoctoral fellow specializing in space robotics, controls, and machine learning. The selected individual will engage in research in space robotics, computer vision, control systems, and machine learning. The individual will work with faculty members and graduate students and is expected to collaborate with peers in the industry. The position is funded by a US Space Force grant. Please contact me directly via email at mtiwari@fit.edu
