- Deliver engaging and effective instruction in the designated subject area.
- Assess and evaluate student performance, providing constructive feedback and support for academic success.
- Ensure a dynamic and interactive learning environment that fosters intellectual growth.

### **Qualifications:**

- A minimum of a Bachelor's degree with a preference for candidates holding a Master's or Ph.D. in the field of expertise.
- Proven experience in teaching or industry practice within the relevant subject area.
- Strong communication skills and a passion for student success.
- Ability to work collaboratively within an academic team and contribute to the educational mission of the university.

### **Department**

Electrical and Computer Engineering

### **General Submission Guidelines:**

Please submit an online application to be considered a candidate for any job at Stevens. Please attach a cover letter and resume with each application. Other requirements for consideration may depend on the job.

### **Academic Submission Guidelines:**

Please submit:

- Cover letter
- Curriculum vitae
-
