The principal role of this position is to teach a range of courses in support of the programs offered by the department. We are particularly interested in candidates with interest and demonstrated teaching experience in undergraduate laboratory-based courses in the areas of circuit design, digital systems, and signals and systems.

Acceptable Minimum Qualifications

A Ph.D. degree in Electrical and Computer Engineering is required.

Salary Information

Salary is complemented by a comprehensive benefits package which includes medical, dental, retirement, tuition, and paid time off.

Special Requirements

A background check will be required as a condition of employment.

EEO Statement

The University System of New Hampshire is an Equal Opportunity/Equal Access/Affirmative Action employer. The University System is committed to creating an environment that values and supports diversity and inclusiveness across our campus communities and encourages applications from qualified individuals who will help us achieve this mission. The University System prohibits discrimination on the basis of race, color, religion, sex, age, national origin, sexual orientation, gender identity or expression, disability, genetic information, veteran status, or marital status.

The University of New Hampshire is an R1 Carnegie classification research institution providing comprehensive, high-quality undergraduate and graduate programs of distinction. UNH is located in Durham on a 188-acre campus, 60 miles north of Boston and 8 miles from the Atlantic coast and is convenient to New Hampshire's lakes and mountains. There is a student enrollment of 13,000 students, with a full-time faculty of over 600, offering 90 undergraduate and more than 70 graduate programs. The University actively promotes a dynamic learning environment in which qualified individuals of differing perspectives, life experiences, and cultural backgrounds pursue academic goals with mutual respect and shared inquiry.

The UNH Diversity Resource Guide with information and programming available in the seacoast area, New Hampshire, and the region can be found here: <https://www.unh.edu/hr/diversity-resource-guide>
