DESCRIPTION:

The School of Mechanical, Industrial & Aeronautical Engineering invites applications for multiple positions at the levels of Senior Lecturer / Lecturer. Degrees in the School are internationally accredited and a range of undergraduate and postgraduate degree programmes are offered. The School has a strong team of dedicated staff and excellent facilities.

QUALIFICATIONS AND REQUIREMENTS:

At the **Senior Lecturer** level, an earned PhD is essential. The successful candidate will have a record of scholarship/teaching and be research active in Industrial Engineering and/or Engineering Management. S/he would conduct and supervise research at all levels. A record of substantial research funding would be advantageous. The successful candidate will have a proven record of interactions with industry and the profession. A National Research Foundation (NRF) (<https://www.nrf.ac.za/rating/>) rating would be advantageous. At the **Lecturer** level, the successful candidate must have a Masters degree (by research or 50% coursework and 50% research) in Engineering and will be research active in Industrial Engineering and/or Engineering Management. S/he would conduct and supervise research at the Masters level. Evidence of having secured funding would be advantageous. The successful candidate **at either level** will have an undergraduate degree in any branch of Engineering and the background to be able to be registered as a Professional Engineer, if not already registered in South Africa (<https://www.ecsa.co.za>). Evidence of research activity in the Just Energy Transition, Water Resource Management or Digitalization will be an advantage. Likewise, teaching experience in Industrial Engineering Design will be advantageous.

DUTIES:

Contributions towards excellence in research, education and professional services; academic leadership in the field of Industrial Engineering; undergraduate and postgraduate lecturing; research leadership and project supervision; active engagement with industrial partners; University administration.

Enquiries: Professor Robert Reid; Head of the School of Mechanical, Industrial & Aeronautical Engineering; E-mail: Robert.Reid@wits.ac.za

To Apply: Please submit a letter of motivation specifying the position and level at which you are applying; a detailed CV which includes details of your postgraduate supervision record, and the names, current e-mail addresses and contact numbers of three referees; certified copies of qualifications, academic transcripts and South African ID and/or (copy of Passport if not a South African Citizen).
