positions) for its growing engineering programs, including Smart Manufacturing and Engineering Management, to teach undergraduate and master's level engineering courses; advise students; and provide service to the department and university. The position for Smart Manufacturing Engineering also includes responsibility to oversee and manage recently developed 'Smart Factory Lab' in the department. These positions will start in August 2025. Please apply using this link: https://miamioh.wd5.myworkdayjobs.com/en-US/miamioh-faculty/details/Assistant-Associate-Teaching-Professor-or-Assistant-Associate-Lecturer_JR101344?q=JR101344

Minimum Qualifications:

Required: For appointment as an Assistant or Associate Teaching Professor, applicants must have a Ph.D. in Mechanical, Manufacturing, Mechatronics, Industrial and Systems Engineering, Engineering Management, or a closely related field by date of appointment (ABDs may apply, but the doctorate must be completed by the date of appointment). For an appointment as an Assistant or Associate Lecturer, applicants must have a Master's and/or Ph.D. degree in the above-mentioned areas of Smart Manufacturing and Engineering Management. Appointment to the rank of Associate level requires an established record of high-quality teaching and service.

Consideration may be given to candidates with background and experience in i) Smart Manufacturing/Factory Systems (manufacturing execution system (MES), data analytics, digital twin, smart manufacturing for thermo-fluid and energy systems applications, etc.) and ii) Automation (sensors and instrumentation, controls, machine learning, manufacturing systems, etc.), and, (iii) Engineering Management (engineering economics, supply chain management, operation management, quality management, entrepreneurship etc.)

Required Application Documents

Cover Letter, Resume/CV, Statement of Teaching Philosophy

Inquiries can be addressed to the search committee chair, Dr. Muhammad Jahan, at jahanmp@miamioh.edu. Screening of applications will begin November 15, 2024, and will continue until the position is filled.

About Miami University

Miami University is a major public university with a small college feel. Creating environments for learning excellence and providing career opportunities in Oxford, Hamilton, Middletown, West Chester and Luxembourg, our faculty, staff, and student employees are the fuel that drives Miami!

We rank first nationally among public universities for best teaching by U.S. News & World Report. Our opportunities for growth and advancement are not limited to students in the classroom. Our faculty, staff, and student employees are highly valued for their contribution toward the Miami experience.

Miami's main campus is located in Oxford, Ohio, 35 miles north of Cincinnati. A true college town, Oxford features a wide variety of shops and restaurants within walking distance of the main campus. Our regional campuses are located in Hamilton, Middletown, and the Voice of America Learning Center in West Chester, Ohio.

For faculty and staff, Miami offers a great work environment and [competitive benefits](#). We invite you to experience Miami and see how you can support the [University's Mission](#).
