Vacancy Date: Spring 2025

Profile:

The Department of Electrical and Computer Engineering at the School of Engineering invites applicants for a tenure-track faculty position in the field of Computer Engineering at the Assistant and Associate Professor ranks effective January 2025.

Candidates must have a Ph.D. degree in Computer or Electrical Engineering. Candidates with a specialization in any area of Computer Engineering are encouraged to apply. The successful candidate will be expected to teach at both the graduate and undergraduate levels and to actively participate in research as well as to perform services to the university. The teaching duties might cover the Byblos campus, Beirut campus or both depending on the needs of the department.

Interested candidates should apply electronically by sending an email to the School of Engineering Dean's Office at dean.soe@lau.edu.lb with the subject "COE Full-Time Faculty Position" and include the following attachments:

- (1) Letter of interest
- (2) Complete CV with a list of publications
- (3) Research statement
- (4) Teaching statement
- (5) The names and contact information of 3 references.

Applications should be received no later than November 15, 2024 for full consideration. Applications received after this date will be considered as long as the position remains vacant.

The Lebanese American University is an Equal Opportunity Employer operating in Lebanon under a charter from the Regents of the State University of New York. Information about the University can be found at <http://www.lau.edu.lb> .
