- PhD in Data Analytics, Data Science, Digital Marketing, or related fields.
- Preferred expertise in areas such as website optimization, predictive analytics, machine learning, big data, blockchain, social media marketing, branding, and search engine marketing.

### **Industrial Engineering (Faculty of Engineering)**

- PhD in Industrial Engineering or closely related field, with at least one engineering degree.
- Research interests may include operations research, data science, human factors, project management, sustainable operations, and logistics.

### **Philosophy, Politics, and Economics (PPE) (Faculty of Arts and Sciences)**

- PhD in Politics, Economics, International Relations, or related areas such as Sociology or Gender Studies.
- Candidates with teaching experience in political economy, research publications, and grant funding are encouraged.

### **Psychology (Faculty of Arts and Sciences)**

- PhD in Psychology, Neuroscience, Cognitive Science, or related fields.
- Strong research record, potential for external funding, and ability to teach statistical and experimental psychology courses required.

### **Global Studies and Liberal Arts (Faculty of Arts and Sciences)**

- PhD in humanities or social sciences (e.g., Anthropology, Cultural Studies, Migration Studies).
- Candidates with teaching experience, research publications, and grant funding are preferred.

### **Application process**

Submit a letter of interest, CV, statements on research, teaching, and service, along with teaching evaluations. Arrange for three reference letters to be sent separately. *Visiting positions are also available.*

**To Apply:** Complete the application form at [application link](#). For inquiries, contact [recruitment@aubmed.ac.cy](mailto:recruitment@aubmed.ac.cy).
