area, involving microgrids operation and planning, multi-energy resources and forecasting of load and renewable production;

• Participate in the elaboration of use cases and services related to the optimization of microgrids;

### Minimum profile required

- Student of a degree in electrical engineering or similar.
- Experience using simulation tools for electrical power systems.
- Programming skills (Python, C, C++, etc.).

#### **Preference factors**

- Knowledge of electric power systems and microgrids.
- Fluency in English and Portuguese (written and spoken).

Maintenance stipend: € 601,12, according to the table of monthly maintenance stipend for FCT grants, paid via bank transfer. Grant holders may be awarded potential supplements, according to a quarterly evaluation process (Articles 19, 21 and 22 of the Regulations for Grants of INESC TEC and Annex II), up to a maximum limit of 50% of the monthly maintenance stipend.

INESC TEC supports costs with registration, enrolment or tuition fees, during the grant duration, under the terms established in the internal document: "Payment of Tuition fees to grant holders".

The grant holder will benefit from health insurance, supported by INESC TEC.

**Application Period**

Since 14 Nov 2024 to 14 Dec 2024

#### Centre

Power and Energy Systems

### **Scientific Advisor**

Filipe Joel Soares

### What we offer

- Multicultural and collaborative environment
- A multicultural, international and collaborative environment that makes it easier to exchange ideas, work in networks and create synergies.
- International projects
- The possibility of working in international projects with some of the most important companies in the field.
- Mentoring
- Mentoring with the best researchers in the fields of electrical and industrial engineering, bioengineering, information technology and physics.
- Self Improvement
- The possibility of participating in international conferences, workshops, seminars and vocational training.
- Other Benefits and Perks
- Flexible working time, health insurance, discounts in hotels, transportation, etc.
- Informal Events
- Annual informal events, such as the multicultural party.
