highly competitive and commensurate with qualifications and experience.

The UM-SJTU Joint Institute receives strong support from both partner universities and the Chinese government. It offers B.S., M.S., and Ph.D. degrees in Electrical and Computer Engineering and related fields. Its ECE program is the first ABET accredited ECE program in the mainland of China, and its students are among China's best. The Joint Institute models itself after the world class U.S. research universities, in terms of its tenure review and promotion system, academic environment, research program, and undergraduate curriculum. Its official language is English.

For full consideration, please send a CV, statement of research interests and teaching goals, copies of three key publications, and the names and contact information of five references, as a single PDF file, to the Search Committee of the Joint Institute at [ji-search@sjtu.edu.cn](mailto:ji-search@sjtu.edu.cn).
