Job Description

The Department of Computer Science (CS) at Old Dominion University invites applicants for an annual 10-month Lecturer position, to begin **July 25, 2025**. The Lecturer will teach a broad range of undergraduate courses, from beginning programming courses in Java and Python to the advanced courses typical of a CS undergraduate program, and have a typical faculty service load.

Old Dominion University and the College of Sciences are committed to inclusive excellence, recognizing that diversity enhances and enriches our educational mission, employment experience, and community engagement. We seek candidates whose teaching, and/or service experiences have prepared them to fulfill our commitment to inclusion.
