The Department of Electrical & Computer Engineering (ECE) at the Florida A&M University (FAMU)-Florida State University (FSU) College of Engineering invites applications from highly qualified individuals for multiple tenure-track faculty position in Computer Engineering in Tallahassee, Florida. We are seeking faculty members with expertise in Computer Networks Security, Data Science, AI, & Computer Vision, Robotics & Autonomy, Embedded Computing, Cyber-physical Systems Security. We are seeking faculty candidates for an assistant professor position; however, exceptional candidates will be considered for higher ranks.

The ECE Department currently has 35 faculty, 90+ graduate students, 450+ undergraduate students, and annual research expenditures exceeding \$17M. The two universities and outstanding research facilities in the affiliated research buildings/centers provide opportunities for collaboration with faculty in Computer Science and Scientific Computing, the Center for Advanced Power Systems (CAPS, <https://www.caps.fsu.edu/>), FAMU Center for Cyber Security (<http://cst.famu.edu/departments-and-centers/center-for-cybersecurity/index.php>), National High Magnetic Field Laboratory (NHMFL, <https://nationalmaglab.org/>), Center for Intelligent Systems, Control and Robotics (CISCOR, <https://www.ciscor.org/>), FSU Institute of Molecular Biophysics (<http://biophysics.fsu.edu/>), FSU Jim Moran College of Entrepreneurship (<https://jimmorancollege.fsu.edu/>), and FSU College of Medicine (<https://med.fsu.edu/>).

The FAMU-FSU College of Engineering is the nexus of two major public universities, each with a distinct mission but focused on world-class engineering education and research. Created by the Florida Legislature in 1982, the joint institution is the college of engineering for both Florida A&M and Florida State universities. This unique combination of focus, resources and mission from our parent institutions has created on our campus a truly innovative atmosphere that leverages the benefits of the traditional HBCU model with the innovations of an R-1 public research university. After completing pre-requisites at their home institution, FAMU and FSU students learn, study and research together at our independent campus with joint-appointed faculty and staff. Students graduate from their enrolling university and from the FAMU-FSU College of Engineering. Both FAMU and FSU are part of the State University System of Florida and are accredited by the Southern Association of Colleges and Schools Commission on Colleges. Additionally, all seven (7) of the college's eligible undergraduate degree programs are accredited by the Engineering Accreditation Commission of ABET, <https://www.abet.org>.

PREFERRED AND REQUIRED QUALIFICATIONS

Candidates must possess an earned Ph.D. in computer engineering, computer science, electrical

engineering, or a closely related discipline, and demonstrate documented potential for outstanding research. Successful candidates are expected to develop research programs that are internationally-recognized with significant and sustained funding, incorporate interdisciplinary collaboration with researchers across campus, have a strong commitment to teaching excellence in undergraduate and graduate courses, supervise undergraduate, graduate and post-doctoral researchers, and participate in college and professional service.

If qualified and interested in the positions, applicants should apply to Florida State University at <https://hr.fsu.edu/facultyjobs>, Job ID: 59141, with the following documents:

- A cover letter
- A full curriculum vitae
- A 2 to 3-page research statement including research interests and plans and how the proposed research efforts will connect to other efforts in the department and universities.
- A 1-page statement on teaching and philosophy
- No more than four selected publications for review
- The names and contact information of four potential references
- [An Equal Employment Opportunity Survey for Faculty Applicants](#)

Applications will be reviewed beginning on December 1, 2024. Acceptance and review of applications will continue until the position is filled. The appointment is anticipated to begin in August 2025. Any questions about the position should be directed to Prof. Uwe Meyer-Baese, Search Committee Chair, at umb@eng.famu.fsu.edu

Criminal Background Check

This position requires successful completion of a criminal history background check. The background check will be conducted as authorized and in accordance with FSU Policy 4-OP-C-7-B11.
