Job Description

NTU Singapore's faculty openings in the School of Mechanical and Aerospace Engineering

NTU Singapore is in one of the world's most rapidly growing countries. As a beautiful and vibrant nation in Southeast Asia, Singapore attracts top talent from around the globe. NTU Singapore is one of the major universities in Singapore and in the world. It is one of the most creative and innovative universities internationally. NTU Singapore continues to invest in talent, strengthening existing domains and expanding to new and emerging fields. We seek scholars that are committed to pioneering research and have a strong dedication to teaching and mentoring students. The university fosters a dynamic and collaborative community and aspires to address global challenges.

The School of Mechanical and Aerospace Engineering (MAE) at NTU Singapore's College of Engineering is one of the largest in the world. The School invites applications in all areas of Mechanical and Aerospace Engineering, including (but not limited to) Energy and Sustainable Technologies, Robotics and Intelligent Manufacturing. Applications are welcome for all academic ranks (Assistant Professor, Associate Professor, and Full Professor).

We welcome all outstanding candidates with a Ph.D. in Mechanical or Aerospace Engineering or a related discipline to apply. We have multiple positions this upcoming year and will have more positions in the following years. We offer excellent and competitive salaries and start-up packages.

Please submit application materials to ac-mae-faculty@ntu.edu.sg. Candidate applications should include a cover letter, curriculum vitae, research statement, teaching statement, three referees, and pdf of two manuscripts.

For more information about NTU Singapore, please visit the NTU website at <https://www.ntu.edu.sg>.
